Dear Friends,

It is humbling to think of you, the many generous donors and volunteers who have made our work possible at Fort Collins Rescue Mission and Harvest Farm. Because of you, we continue to be encouraged to be God's hands and feet as we minister to all those who come through our doors.

God blessed us over the last three years of this pandemic and provided miraculous opportunities. Who knew by having to convert our shelter to 24 hours a day, 7 days a week, that we would be able to see more people move out of homelessness than ever before? This year we saw 129 individuals obtain housing.

Because of you, we were also able to provide 94,605 meals and 58,507 nights of shelter. The need remains great for our work.

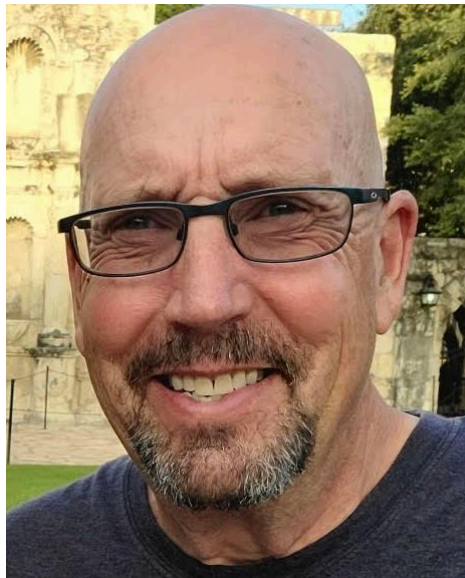

We praise God for this year, we look forward to this next chapter at the Mission and we are grateful that **because of you**, we continue to be able to do this important work.

BECAUSE OF YOU...

TOMMY HAS HIS BROTHER BACK

"It's truly amazing because God put my brother back in my life. By the grace of God, He'll work miracles and answer prayers you would've never thought would come your way."

MENTORS ARE HELPING GUIDE MEN TO JESUS

"My most recent mentee has been radically transformed by Jesus and has accepted his newfound faith and the abundant forgiveness, redemption and blessings that come from Him." – David

ANDREW IS FREE FROM ADDICTION

"This place is really giving me the chance to realize that I'm a good person and that addiction isn't who I am. It's something that I've dealt with, but it's not who I am."

"I love to share hope, love and friendship with people who don't know how valuable they are to the King. I have seen all kinds of things that have spiraled people into homelessness. Regardless of the cause, everyone is made in Christ's image and deserving of dignity and love."—Kristy, Volunteer

Because of you, men's lives are being transformed in the name of Christ. Your support allows us to continue providing hope and opportunities to those in need through emergency care and life-changing programs. As we continue to grow, we are looking into potential facility expansion options for our shelter. We pray that this plan is a reflection of God's vision for His work, and that this will allow us to better serve our guests. We truly couldn't do this work without you.

THANK YOU!
