## Acknowledgement Opportunities

We will be recognizing the leadership donors that make the **More Than** campaign a success. The new facility will allow us to create a special place where we can display all the names of those that committed gifts of \$25,000 or more to the project. Only partners who wish to be included will see their names listed.

Special recognition in the form of a unique plaque will be offered to those who make a gift at the levels listed below, with priority given to donors who make commitments early in the campaign.

Gift Amount	Potential Recognition Area
\$1,500,000	Main Entrance
\$1,000,000	Main Dining Hall
\$500,000	Common Area

\$250,000	Volunteer Entrance & Work Area
